ASSEMBLY INSTRUCTION

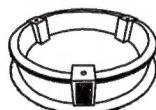

Made in China

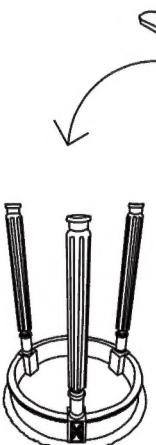

STEP 1

Place the tabletop on the ground, then align the legs to the holes on the bottom of the tabletop. Rotate the legs until tight.

STEP 2

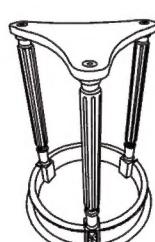

Place the bottom panel on the legs. Align the three holes on the bottom panel to the holes on the legs.

STEP 3

Align the feet of pedestal to the three holes on the bottom panel. Rotate the feet until tight.

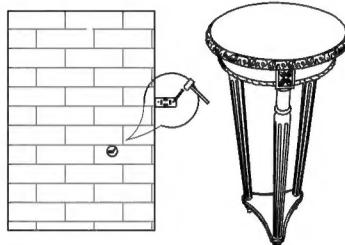

STEP 4

Turn the pedestal
upside down and clean
it.

STEP 5

Nail the anti-tip
hardware to the wall
with steel nail.

STEP 6

Use the PVC rope to
attach the table to
the anti-tip
hardware. Position
roughly 1/3 down one
leg of the table.
